Meals on Wheels Appreciation

Nadine Holland and her husband, Asburry "Berry" raised 7 children together until "Berry" passed away when their youngest son was 5 years old. 20 years ago Nadine moved to Dahlonega to take care of her parents and still lives in the house they shared.

Mrs. Holland is proud to receive the meals and it helps in her everyday nutrition. The volunteers are very nice. She doesn't get many visitors throughout the day and looks forward to the meals and visits.

Words to Live By....

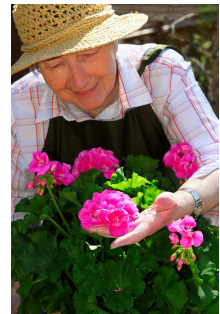

Your children get only one childhood.

All that truly matters in the end is that you loved.

Get outside every day.

Miracles are waiting everywhere.

If we all threw our problems in a pile and saw everyone else's,
we'd grab ours back.
